Thank you for your interest in our

# 12<sup>th</sup> Annual Great Plant Swap & Sale

To make this sale a wonderful and rewarding experience for all, please review the following suggestions and information:

**Bring only healthy, well cared for plants**

**Dig them up now, divide, separate, IDENTIFY and repot**

**Examine for pests**

**Water regularly**

**No plants on the NYS invasive list <http://nyis.info>**

**Feed if necessary**

**ABSOLUTELY MUST identify by name & indicate color**

**Plants must be in containers - No loose dirt - No boxes or bags**

**We reserve the right to refuse any plants not meeting these criteria**

On Saturday, **June 5th**, between the hours of 9 AM to 10 AM: bring your healthy, well cared for plants to the Pavilion near the Forsyth Nature Center at Forsyth Park in Kingston. You can get to the Park by turning off of Lucas Avenue. A Master Gardener will be present to examine your plants and give you a voucher for trade.

11 AM to 11:30 AM has been reserved for *SWAP ONLY*. At this time everyone who brought plants to exchange can swap their vouchers for plants. At 11:30 AM we will offer the remaining plants for sale.

We look forward to meeting you and having a great time.

No early birds please.
