I would like to have my email address added to the CCEUC Mailing List to receive up to the minute program news and our quarterly newsletter. Your email address will not be used for any other purpose. **YES / NO**

GARDENERS CAN MAKE A DIFFERENCE!

What is Plant A Row for the Hungry (PAR)?

Plant a Row for the Hungry began in 1995, as a public service campaign by the Garden Writers Association to encourage gardeners to grow a little extra and donate the produce to local soup kitchens and food banks that serve the homeless and hungry in their area.

How Can I Make a Difference?

With the start of the growing and planting season we're looking for gardeners like you to help feed the hungry in Ulster County by planting an extra row in your garden this summer and signing up to take the excess produce to our office. If you don't have room to plant an extra row – sign up to donate the excess produce nearly all gardens produce.

How will my contributions be used?

Our nutrition program educators, who work with low income children, families, individuals and seniors in hands-on programs, will use and distribute the food when working with participants. Donated produce will also be given to food pantries in Kingston & New Paltz.

What You Get For Joining?

- A free soil test before planting your garden.
- A packet of information with suggestions of what to grow and how to plant it.
- "Plant a Row" veggie markers for your garden.
- Garden Tip of the Week sent via email during growing season & knowledge that you helped the hungry in Ulster County.

The Facts:

According to the survey, "Hunger in America in 2006", conducted by America's Second Harvest (the nation's largest charitable hunger relief organization), 24-27 million Americans rely on emergency food services annually. PAR's mission is to provide an avenue through which individuals, corporations and more than 70 million gardeners in the U.S. can assist America's most vulnerable citizens and food agencies servicing them.

How Do I Join?

It's easy! Just complete & return the attached registration form.
