Cornell Cooperative Extension Volunteer Position – Ulster County

Title: Master Gardener Volunteer

Purpose of Position: The Master Gardener Program is a community service program established to provide home and community gardeners with unbiased, gardening information that is based on research or reliable experience, through a “neighbors-teaching neighbors” educational program.

Responsibilities:

1. Successfully complete the required Master Gardener Volunteer Training Program and remain current through participation in recommended training opportunities throughout the agreed term of volunteer service.
2. Serve as a horticultural resource as outlined in the plan of work of the sponsoring Cornell Cooperative County Association.
3. Represent Cornell Cooperative Extension within the Community; encourage enrollment in and support for the organization.

Expected Results: The resident and communities will be better informed of environmentally sound gardening practices and be better able to make decisions based on the counsel and advice of Master Gardener Volunteers.

Training and Support:

- Orientation to the Cornell Cooperative Extension System, its mission and that of the Master Gardener Volunteer Program
- Master Gardener Volunteer Training Program includes a core qualifying course in gardening, as well as refresher classes, field trips and workshops to enhance expertise and ability to communicate information related to ecological gardening and related topics to the public. In Ulster County, there is a registration fee of \$200.00. Upon completion of 100 volunteer hours within 2 years \$50.00 is refunded.
- Orientation to the operational and risk management procedures
