Learn To Create Your Own Holiday Kissing Ball

Deck the halls this holiday season with a charming Victorian decoration for your doorway. Cornell Cooperative Extension of Ulster County's Master Gardener Program will provide the evergreen boughs and know-how at this hands-on workshop on Wednesday, December 8, 2004 at their Extension Education Center, 10 Westbrook Lane in Kingston. Learn the secrets to making an old fashioned kissing ball. They're fragrant, beautiful... and not as hard to create as they look. As a result of high demand, the Master Gardeners are offering two sessions on December 8th. Session I is from 2-4 pm and Session II is from 5:30 to 7:30 pm. Please bring pruning shears and wire clippers if you have them, all other supplies will be provided. The fee is \$35. Class size is limited and pre-registration by December 1, 2004 is required. Please call Barbara, Ag Program Secretary, 340-3990 for registration information, or visit our website www.cce.cornell.edu/ulster to download a registration form.
