Ulster County 4-H Presents Interior Design Workshops with Local Designer

Are you a teenager (or do you know a teenager) with a flair for design and style? If you're constantly rearranging your bedroom furniture or can spend a marathon Saturday with television shows like *Trading Spaces*, *Design on a Dime*, and *While You Were Out*, then you'll want to attend the **4-H Interior Design and Decorating Workshop**. The workshop, taught by local designer Linda Bartholf, will be held on two consecutive Thursdays May 12th and 19th from 6:30 pm to 8:30 pm at Ulster County Community College. There is no fee, but space is limited and participation is restricted to youth ages 12-19. Participants must put together a design folder with paint and fabric samples, pictures of furniture and anything else that inspires and complete a short assignment that will be sent out upon registration.

So if you're a youth with a boring bedroom, a lackluster living room or an outdated playroom that you'd like to see made-over register for this workshop and learn how to transform the ordinary into awesome! To register call Cornell Cooperative Extension of Ulster County 4-H office (845)340-3990 before May 2, 2005. For more information please call Debra Casio, Extension Educator, 4-H Youth Development, 845-340-3990.
