Hands-On Classes Teaches the Art of Making a Holiday Boxwood Tree

Cornell Cooperative Extension of Ulster County's Master Gardener program has the perfect handmade botanical decoration for those looking to add new flair to their traditional holiday decorating. The *Holiday Boxwood Tree Workshop*, Thursday, December 1, 2005 from 5:30 to 7:30 pm at Cornell Cooperative Extension of Ulster County's offices, 10 Westbrook Lane, Kingston, will give participants the know-how to create their own charming tabletop tree out of boxwood. Once created, miniature ornaments adorn them creating a fun, new alternative to the more traditional evergreen tabletop trees. They look spectacular and aren't as hard to make as they look. Please bring pruning shears and wire clippers if you have them, all other supplies will be provided. The fee is \$35. Class size is limited, pre-registration is required. Registration deadline is November 23, 2005. Please call Cornell Cooperative Extension of Ulster County Master Gardener Program, 340-3990 for registration information, or visit our website www.cce.cornell.edu/ulster to download a registration form.
