# Learn The Basics of Caring For a Bunny!

**Free, educational workshop offered in time for Easter**

***Bunny Basics*, a free educational program on the basics of rabbit care sponsored by Cornell Cooperative Extension of Ulster County 4-H Youth Development, takes place Sunday, April 1<sup>st</sup> from 1-3 PM, at Pet Smart between Wal-Mart and Kids R Us, 501 Frank Sottile Blvd., Kingston. The workshop, which is for kids by kids, includes information on how to pick a breed that best suits you and your family; caring for and keeping a rabbit healthy; and preparing a home for your new pet. The 4-H members teaching the class will even have their own rabbits on hand to demonstrate some of the skills involved in handling and caring for a rabbit. Don't miss this chance to learn *Bunny Basics* from experienced young pet owners! To reserve a seat please call the 4-H office at 340-3990. A *Bunny Basics* manual, written entirely by 4-H members, will be available for \$2 each. For more information about the 4-H rabbit program call Patti Zellmer, 4-H Issue Leader, at 340-3990 or visit our website: <http://counties.cce.cornell.edu/ulster>.**
