**An Economical Approach to Small Farming**

*Has making ends meet on your small farm gotten tougher? Come join us to learn more home based management techniques for your small ruminants.*

Cornell Cooperative Extension of Orange County presents the 2008 Small Ruminant Seminar which will be held on Saturday, June 21 at the Cornell Cooperative Extension of Orange County office located at 18 Seward Avenue in Middletown from 9:00am to 4:45pm.

This event is open to all regional sheep, goat and camelid owners and producers, participants must be 13 years of age or older, this full day seminar will offer a range of speakers who will address a variety of subjects for new farmers as well as veteran producers. Topics will include Livestock Marketing, On Farm Vet Med Care; Feeding Sheep & Goat, Growing Product to Match Market Demands, On Farm Processing; Llama and Alpaca Breeding, Selection and Cria Care.

Registration fee is \$30 for current Cornell Cooperative Extension of Orange and Ulster County's Agricultural Program enrollees and \$35 for non-enrollees. For more information or to pre-register contact Cathy at 845-344-1234 or e-mail [cah94@cornell.edu](mailto:cah94@cornell.edu). Please call to pre-register by Friday, June 13.

Please visit the CCE Orange web site for directions and registration information;
