Save Energy and Save Dollars Workshops Offered in Port Ewen

Free Energy Saving Workshop to Help Homeowners Conserve Energy and Save Money all Year Round!

With prices rising on nearly everything, homeowners are constantly looking for ways to conserve and save their hard earned money. Cornell Cooperative Extension of Ulster County has the solution with a FREE Weatherization and Energy Savings Workshop designed to help people reduce their electric, cooling and heating bills resulting in significant dollar savings year-round.

A FREE workshop will be held on:

Wednesday, July 9.

5:30pm to 7:30pm at the Ulster County BOCES located on Rt. 9W in Port Ewen.

Pre-registration is required to attend. All attendees ages 18 and up will receive a FREE Energy Saving Kit. The session is free and open to the public.

Participants will learn about actual energy usage of items in their homes, learn to identify measures that can reduce energy usage, become aware of energy programs and resources available and to identify a specific action plan to reduce the cost of their heating, cooling and electric bills.

Please call Barbara Grumberg, 845-340-3990 to reserve a seat or email: bag23@cornell.edu.
