Workshop to Inform Relative Caregivers Their Options on How to Pay For College

It is never too early to start saving money for college, that is why Cornell Cooperative Extension of Ulster County's Relatives as Parents Program (RAPP) is sponsoring a workshop for any person in Dutchess, Orange and Ulster Counties who is raising a relative's child and is concerned about how to plan for college.

Information on topics covered will include: Coverdell Education IRAs 529 Plans or college savings plans, savings bonds, scholarships, grant and work study programs and student and parent loans. This program is free of charge and childcare will be provided.

The workshop is Monday, October 20, at the Ulster County Community Action Children's Learning Center, located at 175 Colonial Drive in Kingston from 6:00pm to 8:00pm, and will provide guest speakers from Cornell Cooperative Extension Ulster County and Ulster County Community College.

For more information or to pre-register, please call Erica Smith at 845-340-3990 or e-mail els235@cornell.edu
