Master Gardeners Offer Perennial Division Workshop

Join Cornell Cooperative Extension of Ulster County's Master Gardeners in their award winning Xeriscape Garden at the SUNY Ulster Campus in Stone Ridge on Thursday, May 14, to learn the nitty-gritty of dividing perennials and ornamental grasses. The workshop will be from 9:00am to 12:00pm. There is a nominal fee of \$5 to participate.

You will gain hands-on experience on when to divide, what to do and what not to do when it comes to dividing plants. Participants will work in small groups guided by Master Gardeners and leave with some prize divisions from the Xeriscape Garden. Please bring pots or bags to put your divisions into, gardening gloves and tools such as pitch forks, spades and trowels are also recommended to bring along.

For more information call Dona Crawford, Master Gardener Coordinator at 845-340-3990.
