*Founded in February 2004, Facebook is a social utility that helps people communicate more efficiently with their friends, family and coworkers. The company develops technologies that facilitate the sharing of information through the social graph, the digital mapping of people's real-world social connections. Anyone can sign up for Facebook and interact with the people they know in a trusted environment.

###

Cornell Cooperative Extension of Ulster County (CCEUC) is a 501(c) 3 subordinate government agency of the State of New York under Article 5, 224(b) of the NYS County Laws organization that utilizes research based knowledge through their partnership with Cornell University. This information is disseminated through their on-going community programming in the areas of Agriculture, Horticulture, 4-H Youth Development, Family and Consumer Science and Environmental programs held throughout Ulster County.
